4) “Realism” A Functional table for 2 staged on a card table no larger than “ x  
“ provided by exhibitor. See Handbook pages 215 - 221.

### Size of Decorative Unit

Decorative unit should occupy no more than one-third and no less than one-fourth of the overall table space.

The amount of formality of the table or style of the accoutrements are taken from the theme and class title. Our schedule calls for a square table and all fresh plant material, no decorative wood.
